EDUCATION

Bachelors of Science in Software Engineering   **Sep 2021 - In progress**
National University of Modern Languages (NUML)

COURSE WORK

- Data Structures and Algorithm
- Database Management
- Object Oriented Programming
- Artificial Intelligence

WORK EXPERIENCE

Mehdi Technologies Pvt Ltd   **Aug 2024 - Present**
Jr. Web Developer | React.js, Next.js, Node.js, Express.js, Mongo Db, PostgreSQL
- **Full-Stack Development Proficiency:** Skilled in developing scalable web applications using React.js, Next.js, Node.js, Express.js, MongoDB, and PostgreSQL. Ensuring high performance, maintainability, and a superior user experience through advanced state management and integration of backend technologies.
- **Innovative Project Leadership:** Leading the development of full-stack applications by integrating React.js and Next.js with advanced state management and styling solutions, focusing on delivering high-quality, maintainable, and scalable products.

Code Experts Ltd   **Sept 2023 - Apr 2024**
Front End Developer Intern | React.js, Next.js, Material UI, Tailwind CSS
- **Optimized Application Performance:** Integrated state management using Redux and Redux Toolkit with React and Next.js, enhancing application efficiency and responsiveness. Employed RTK Queries to streamline data fetching and management processes.
- **Enhanced User Interface Design:** Applied Material UI and Tailwind CSS to create visually appealing and responsive interfaces, driving innovation and improving user experience in web development projects.

PROJECTS

Portfolio Website | Next.js, Tailwind CSS
- I developed a responsive Portfolio Website using Next.js and Tailwind CSS, showcasing my skills in modern web development with a sleek design and smooth user experience.
- **Live Link:** https://abdullah7-portfolio.vercel.app

Ejbni | Next.js ,Node.js, Express.js, Mongo Db, Tailwind CSS, Redux Toolkit
- Developed Ejbni, a full-stack web and mobile application for food reviews in different restaurants using Node.js and Next.js.
- Designed and developed the user interface with Next.js, Tailwind CSS and RTK Queries, utilizing Redux Toolkit for state management.

BSM | React.js, Tailwind CSS, Redux, RTK Queries
- Developed an application designed to be the ultimate day-to-day booking tool for travel professionals.
- Hands-on experience in developing the user interface using React, Redux and RTK Queries.

SKILLS

- **FRONT END DEVELOPMENT: Html | Css | React.js | Next.js | Material UI | Tailwind CSS | Bootstrap**
- **BACK END DEVELOPMENT: Node.js | Express.js | Mongo Db | Firebase | MY SQL | PostgreSQL**
- **TECHNICAL SKILLS: C++ | Java | Python**
- **VERSION CONTROL: Git | GitHub**
- **SOFT SKILLS: Collaborative | Efficient | Leadership | Environment Responsive | Motivated**

AWARDS

- **Winner Certificate for IEEE Web Development Competition**
- **Certificate for NUMLOGIC Programming Competition**
